Effective Date: 5th May 2021

Contact: contact@kyvorastock.com

1. Introduction

KyvoraStock ('we', 'our', or 'us') operates an AI-powered financial trading and analytics platform. We are committed to protecting your privacy and ensuring transparency in how we handle your data.

2. Scope of Policy

This Privacy Policy applies to all users of KyvoraStock platform, including website, mobile applications, APIs, and AI trading tools.

3. Information We Collect

We collect personal identification information (name, email, phone number, date of birth), financial data (transactions, wallet and payment details), technical data (IP address, device identifiers, browser type), and behavioral data (trading activity, platform usage patterns).

4. Legal Basis for Processing

We process personal data based on consent, contractual necessity, legal obligations, and legitimate business interests.

5. How We Use Information

KyvoraStock uses collected data to provide trading services, execute transactions, deliver AI-driven market insights, personalize user experience, detect fraud, and comply with regulatory requirements.

6. AI and Automated Decision Systems

Our platform uses artificial intelligence to analyze market conditions, generate insights, and assist users in trading decisions. These systems are advisory only and do not guarantee financial returns.

7. Data Sharing and Disclosure

We do not sell personal data. We may share information with brokers, payment processors, cloud providers, analytics services, and regulatory authorities where legally required.

8. International Transfers

User data may be transferred and processed in countries outside your jurisdiction. Appropriate safeguards are implemented to protect such transfers.

9. Data Retention

We retain personal data only as long as necessary for operational, legal, and compliance purposes. Data is securely deleted or anonymized when no longer required.

10. Data Security

We implement industry-standard security measures including encryption, firewalls, access controls, secure authentication, and monitoring systems.

11. User Rights

Users may request access, correction, deletion, or restriction of their personal data, subject to applicable laws and regulatory requirements.

12. Cookies and Tracking

We use cookies and similar technologies to improve platform performance, analyze usage, and enhance user experience. Users may manage cookie preferences in browser settings.

13. Third-Party Services

We integrate third-party services such as payment processors, cloud infrastructure providers, and analytics tools. These providers operate under their own privacy policies.

14. Children's Privacy

KyvoraStock does not knowingly collect data from individuals under the age of 18. Any such data will be deleted upon discovery.

15. Risk Disclosure

Trading financial markets involves significant risk. KyvoraStock provides informational and analytical tools only and does not guarantee profits or financial outcomes.

16. Limitation of Liability

KyvoraStock is not liable for any financial losses incurred from trading decisions made using our platform.

17. Policy Updates

We may update this Privacy Policy periodically. Updates will be posted on the platform with revised effective dates.

18. Contact Information
